

# ADAM AND EVE, NOT ADAM AND STEVE

by Tony Melton

In the beginning, God created Adam and Eve, not Adam and Steve. Many have the perverted notion that homosexuality is just an alternate lifestyle. Hollywood is constantly promoting the idea that homosexuality should be accepted as just another form of living. In the movies, usually those who oppose the homosexual form of life are portrayed as “old fashion” or ignorant.

Gay activists are doing their very best to get homosexuality taught as an acceptable lifestyle as early as elementary school. This “so-called” new way of life is being promoted openly by political and even religious groups.

What does the Bible teach? From the Bible, many verses could be cited, but we want to notice five texts that deal specifically with the sin of homosexuality.

1. **Leviticus 18:22-25**- In this Old Testament text, we see that homosexuality was an abomination (detestable) to God. It was listed with the sins of bestiality and adultery. Because of it, the nations and lands were defiled, and the land “vomited out its inhabitants.”
2. **Leviticus 20:13**- Next, under the law of God to the Israelites, the homosexuals were put to death, and they were consider responsible for their own deaths.
3. **Romans 1:24-27**– In the New Testament, homosexuality is taught as a “vile passion,” something shameful and something against nature. It is unnatural!
4. **1 Corinthians 6:9-11**- These verses tell us plainly that fornicators, adulterers, thieves, drunkards, nor homosexuals will be allowed to enter the kingdom of God.
5. **1 Timothy 1:8-11**- This text shows clearly that those who practice homosexuality will in no way be candidates for eternal life.

Homosexuality is not an alternate lifestyle, nor is it a practice that is acceptable to God. It is a sin just as incest, drunkenness, fornication, and murder are sins.
